What have former Lions captain Gavin Hastings, the reigning Miss Scotland and Eddie Quigg have in common?

Apart from gorgeous legs?

On 17 January 2012, they, along with some others, will be at the top of Africa's highest mountain, Kilimanjaro (and Ali, the Greatest ever, is 70).

Why? to raise money to fund neurological research to beat Parkinson's.

The walking team from WobblyWilliams.com will do all the hard work, all you have to do is slowly move your hand into your pocket and remove some bits of paper.

How to donate?
