

# JCT Contract Management Course

**7 WEEK COURSE  
COMMENCING  
6 FEBRUARY 2019  
QUIGG GOLDEN MAIDSTONE**

## Seven week course

JCT contracts are some of the most recognisable standard form contracts used within the building and construction industry. This unique 7 week course is designed to give attendees the vital practical knowledge they need to effectively administer and deliver projects using the JCT suite of contracts, from tender/procurement to practical completion and final account.

## Who should attend?

The course is suitable for any construction or legal professionals (employers, architects, contract administrators, contractors and subcontractors) that are in any way involved in the procurement, administration and/or delivery of projects under JCT contracts. It would be ideal for those that work with, or are interested in, fast tracking their career by quickly developing the key commercial skills necessary for making the move into management.

## About us

Quigg Golden has been successfully delivering courses on the management of contracts for over six years. Those who undertake our courses get a head start over their peers and an insight into the practical and legal administration of construction contracts.

Quigg Golden specialises in contract law, procurement, contract disputes and the JCT suite of contracts. Every day we see the problems that arise from a failure to properly manage JCT contracts.

## Price

**£450** including VAT. This price includes a £15 charitable donation to our charity partner.

## Topics covered

The course will focus on the 2016 editions of the Standard Building Contract, Design & Build Contract and the associated Sub-Contracts. Particular attention will be paid to the selection and suitability of each contract, alongside an explanation of the different roles and responsibilities under each contract.

Practical tips for proficient administration will be presented together with how to correctly and efficiently make or respond to claims for extensions of time and loss and expense.

## Course schedule

This is a 7 week course, held weekly, from 6 - 8.30pm each Wednesday evening, commencing 6 February 2019, and concluding on 20 March 2019. Pre-reading and homework assignments will be given each week to further consolidate the content delivered by our experienced lecturers.

- Introduction to JCT
- Contract Administration: General Obligations
- Design Liability, Subcontracting and using Specialists
- Payment
- Claims for extension of time
- Claims for Loss and Expense
- Termination, Insolvency, and Dispute Resolution
