

# A Beginner's Guide to the JCT

09:30 - 16:30

18 July 2019

Quigg Golden Maidstone

## ☰ One day course

This one day course will cover the basic principles and core clauses of the JCT suite of contracts. It will explain the key differences between the contracts available in the JCT suite and provide an overview of the "need to know" contract mechanisms. It will also look at issues involved with the administration and successful delivery of projects using JCT contracts.

There will be a focus on how to apply these key elements of the contract in practical situations.

## 👤 Who could attend?

The course is suitable for any construction or legal professionals who are interested in working with or learning about the JCT contracts, and have had limited or no experience of the suite.

## ⋯ About us

Quigg Golden specialises in contract law, construction law, procurement, contract disputes and standard forms of contracts, including the JCT. Every day we see the problems that arise from a failure to properly manage contracts, and we also see when they are managed well. We are thereby fully equipped to supply delegates with the knowledge needed to help avoid mistakes and manage their contracts more efficiently and successfully.
